JOIN US FOR

# SEASON 33

Steps Dance Centre has been serving the Greater Trail area since 1991. Founded by Rhonda Michallik, Steps quickly became the go-to studio for quality dance training in a variety of styles.

At Steps, we are proud to offer classes in a wide array of dance styles. These include Jazz, Tap, Ballet, Hip Hop, Modern, Pointe, Lyrical, and Musical Theatre. Our classes start for children at the age of 3, with our Preschool dance classes teaching them fundamental movements and rhythm through music and games. We have classes and levels for all dancers age 5-18, after which we hold regular sessions of beginner adult classes.

Our two locations in downtown Trail allow us to offer a variety of class days/times between our three studio spaces. We are also thrilled to announce that we are opening a Castlegar location in September 2023!

Our regular dance season runs from September to May, with weekly classes and performance opportunities. We finish off our year with a highly anticipated year-end recital, held at The Bailey Theatre, that showcases all of our amazing dancers!

We look forward to sharing our love of dance with you!

# Jr. Step It Up

Mini SIU is a team of dancers within Steps Dance Centre, ages 6-8, who are passionate and excited about learning multiple styles of dance, and who love to perform.

These dancers will be invited to perform at local community events, such as parades, charity events, and Silver City Days. They will also participate in two local dance festivals, Motivate Dance Festival and West Kootenay Festival of the Arts, and the East Kootenay Festival of the Arts in Cranbrook.

This opportunity is great for those dancers who want a few more chances to perform locally and attend dance festivals. As well, this is a great "stepping stone" for those dancers who would like to join Step It Up in the future.

# Step It Up

The Step It Up dance team is Steps Dance Centre's main representation within our community.

We perform at a variety of local events, such as Silver City Days, Remembrance Day, and many others.

Dancers in Step It Up are passionate about learning and growing in dance, and sharing their love of it through performing. They commit to learning extra dances, taking extra classes, and attending extra rehearsals.

In addition to performing locally, the dance team often travels to dance festivals and competitions in BC and Alberta. These events offer unique opportunities for the dancers to learn, meet new people, receive professional feedback, and much more.

To continue to inspire and educate the dancers who are dedicating their time and energy to their love for dance, we are constantly looking for, and creating new opportunities for the team. These may take the form of performance trips, extra workshops and master classes, and guest choreography.

Ultimately, the Step It Up dance team is a core group of dancers who aim to take their dance training, their love of dance, and their achievements to the next level.

## Jackrabbit Dance

Jackrabbit is the online system we use for all of our classes and dancers at Steps.

Parents each create a Jackrabbit account when you register, which you can access at any time. Within your account you can do things such as:

- enroll your dancer in classes or camps
- see your dancer's schedule
- change your contact information
- update your payment information
- check your current balance
- pay any outstanding fees
- email your dancer's instructor
- and more!

Most studio communication is done via email, which we send through Jackrabbit Dance. We also take advantage of a free app called Band, explained below!

The Band app is a free app for all users, which we use to share upcoming information, photos, and videos! It can also be a quick way to ask a question about something, and get an answer from either another parent, or the instructor.

Each class at Steps will have their own private Band group, which you will receive an invitation for closer to September. Only other parents/guardians of dancers in that class will be in the group, as well as your dancer's instructor.

As the dancers start learning their class dance, we will also share videos, so they can practice at home!

We are so  
excited to  
dance with you!
